How to get to DDF...

Plant and Office: Carretera Nacional 634, Km. 139
39706 Ontón (Cantabria) Spain

The strategic location of the plant in **Ontón (Cantabria, North of Spain)**, close to the port of Bilbao and within easy reach of the railway and highway network, means that **DDF** is perfectly communicated with Europe and has the best logistic conditions to export all over the world.

By plane:

The nearest international airport is Bilbao airport (distance 35 km).

By car:

The A-8 is a toll free motorway connecting Bilbao to Santander and crosses Ontón at the following points:

- From Bilbao, exit 141, at a 25 km distance.
- From Santander, exit 142, at a 75.5 km distance
